

*Qualities of the 8 Fields of Perception ~ Areas of power of their Runes ~ Tone of Responsibility*<sup>1</sup>

- **Field of Shamanism** ~ Interconnectedness of the web of life / Respect for life animates—feeling the aliveness of things / Appreciating the gift of life as a sensual-physical experience / Being the receptive steward in agendaless oneness / Song of Living your Evolving Highest Truth
- **Runes of the White Tiger** - working with physical life events (work, situations, things...) The runes help to enhance the power to work in the physical reality of form.

**Tone of Self-responsibility:** Choose your focus wisely, for to focus on the positive because you value it more, accentuates the negative.

\* \* \* \* \*

- **Field of White Magic** ~ Abandoning cause and effect consciousness for the magical perspective / Respecting reciprocity / Reciprocal and magical gifts in joyous interaction with the hidden realms / Song of Sincerity
- **Runes of the Mother Libraries** – working with emotions and attitudes (soul/emotional body), concerns of the heart and releasing programs in relationship.

**Tone of Self-responsibility:** We forfeit the sovereignty of self-responsibility when we abandon the self to fix the environment. We serve life best when we are home for ourselves.

\* \* \* \* \*

- **Field of Healing Through Remembered Oneness** ~ Seeing the perfection underlying appearances / Choosing reality through perspective and attitude / Humility of knowing you know nothing, as life is ever new / Opening to what is not known is a situation / Eliminating old wisdom in favor of wisdom that is inseparable from the moment unfolding / Unhindered cellular communication through a life of surrendered trust / Song of Inclusive Oneness
- **Runes of the Order of the Sacred Butterfly** – working to release regrets, fears, and the ‘if onlys’ of life, and shift perspectives and beliefs (lower spirit level/mental body). They also help to shift the spiritual cause of pain and disease in the body—assisting with healing through indicating frequencies that are that are lacking for oneness to be restored.

**Tone of Self-responsibility:** Cultivate the perspective of appreciating ever renewed, unfolding existence.

<sup>1</sup> From the Book of Runes by Almine ([www.spiritualjourneys.com](http://www.spiritualjourneys.com))

- **Field of Mysticism** ~ Engaging life from impeccable commitment to highest truth / Being the appreciative observer / Knowing the environment to be one's expression / Abandoning resistance and battling life in favor of inner battles for self-awareness / Warrior against limitation / Spontaneous expression in response to inner senses and signs in outer environment—merging inner and outer / Expressing the truth that is inseparable from the moment / Song of Cooperative Surrender
- **Runes of the White Rose** – working with infinite potential, the ‘what ifs’ of life, releasing old patterns, and bringing harmony to tangled areas of life. Used to establish autonomy or self-sovereignty within diversity, to explore inner and outer as one, to read the signs in the environment and becoming responsible to it. They also support the breaking of old patterns, clearing disharmony, and business affairs. They help guide life back into unity within diversity and indicate choices of direction change.

**Tone of Self-responsibility:** Exercise self-disciplined spontaneity of being the observer and the observed.

\* \* \* \* \*

- **Field of Metaphysics** ~ Eternal perspective / Archetypal living that opens to macrocosmic level of being / Acknowledging the flawlessness of life unfolding / Ever new expression in the moment, that reveals the eternal self / First field of black light—bridging vastness with individuated expression / Song of the Dance of Eternity
- **Runes of the Blue Light** - assists to understand the larger perspective of life and areas where new power is needed. These runes identify what spiritual areas need development and can give a larger picture behind the face value of experiences. They support us to cultivate the perspective of being a macrocosmic being in microcosmic expression (“As below, so also above”)

**Tone of Self-responsibility:** Create the chosen reality of elevated living through courageously expressing your evolving highest truth.

\* \* \* \* \*

- **Field of Godhood** ~ Divinity arises in full and unique expression beyond conditioning and programs / Knowing yourself to be center of your life / Expressing a self-sovereign reality in the confident knowing that life changes the moment we change / Being fully engaged in the world but not of it / Ascending the throne of self-sovereign divinity / Song of Embracing the Paradox
- **Runes of Godhood** - these guide us into creating a reality that is in this world but not of this world. To create and live from an evolved sanctuary that helps us stay in cooperation with Infinite Intent. It helps us respond from a place of divinity to the challenges of every day life, without losing power by engaging in the dysfunctional games of man.

**Tone of Self-responsibility:** The uncluttered clarity of mind comes through the emotional self-fulfillment of the heart.

\* \* \* \* \*

- **Field of the Unfolding Journey** ~ Achieved oneness through recognizing the Self in all, through the permeating, unifying chakra fields / Embracing the unknowable / Becoming a conduit of new abundance and vitality for all life / Song of the Courageous Adventure of the High Road
- **Runes of the Living Library** – this set used in conjunction with the others, is not only to gain further guidance, but also to energize beneficial change as a catalyst. Its runes added to those of another set, forms alchemy to leverage results.

***Tone of Self-responsibility:*** Meticulously cultivate the self-nurtured reservoir of fulfilled contentment and unshakeable well-being.

\* \* \* \* \*

- **Field of the Resurrected Life and for Effortless Metamorphoses** ~ Spiritual Maturity achieved / Evolutionary focus / Planetary responsibility / Sacred government to humanity / Fate of Hidden Realms and Star Systems / Evolving matter / Living from the Immaculate Enhanced White Light / Change by alchemy / In this world but not of it / Higher hormones of evolved awareness / Infinite moves reality through us / Enhanced inter-dimensional function of the 8 extraordinary meridians
- **Runes of the 8th Field** – They are most useful as we begin to live the resurrected state, wherein we live archetypally and with a high degree of self-responsibility for our reality. These Runes are specific to understanding matters to do with cosmic evolution on all levels.

***Tone of Self-responsibility:*** No tone given, but living from this field, we take full self-responsibility as cosmic co-creator.
